1. I come, I call, and the priesthood of all believers arises. I come and I call and I confirm that the priesthood of all believers arises—now, now—in regalia, full regalia, colors, stones, princes of only Me, My kingdom, the priesthood of all believers. I love you. I love you and I give you Me.

I arise the stallions in Me, I arise the lighthouses in Me, I raise those who will rivers be to river Me, to river Me, to river Me throughout My lands, My earth, My stars, threading into places thought heretofore inaccessible, ruled out by rigidity, ruled out by control, but not impermeable by Me.

I come and I arise the priesthood of all believers. Now see Me and see what I am doing. See Me having all five'd My believers, My believers, My priesthood of all believers. See Me with them with them having full power, power plants of only Me inside them, upon them, their mantle powererized by only Me, Me.

2. This is about Me, Ted. This is about Me reader, hearer, wonderer, ponderer, this is about Me and what I am doing and this is the release of Joel 2. This is the release of Isaiah 61, Jeremiah foretold, Acts contained. Oh see Me in what I am doing.

3. See Me in what I have done in WeekWorks. Blast forth My words sharing fully what I have shared—transcriptionists come forth, not one but many. Share Me. I love you WeekWorkables many, WeekWorks concurrently, WeekWorks flourishing My who-know-there's more, who knows there's more, who want more, who seek Me, who have sought Me in the wee hours and not just in convenience. I love you.

4. The land, the beams, the tar, the stone, the brick, the masons skilled with chisels and [words of My heart only](#) come to sinew buildings that will build My people—My people royally leadershiped, leadershiped into the priesthood of all believers—all five all the time Ted, not just here, there and yon, dependent on Me, walking in Me, working in Me, with Me, Me through them, intertwined all, one, inextricably linked together, sharing My linkages as My linkages come forth, as My work proliferates through My WeekWorkables, proliferates profusely in plethoras great, manifold and magnanimously magnifying My name. I thank you.

5. I appreciate the freedom fountains that come forth, freedomizing My beloved, maturing My bride. I thank you.

6. WeekWorks—successful, yes. I came, I called, I conquered doubt, unbelief—faith, trust—foolishness not—freedom arose and arises more, increasingly building on the foundation strength in the WeekWorks.

7. My land speaks, hear Me. Hear My land speak. Hear My priesthood of all believers worshipping Me, releasing Me into generations all, all generations, all ages, My priests, My New Covenant, My New Covenant covenanted, reflecting Me. Power, oh power, oh power—yet to see planetariums of Me. I love you. Relax and enjoy My peace. Rest, much ahead. Architects of Me, of Me. I give you the dimensions, I give you Me. I give you the experts and craftsmen, I give you Me. I give you the land, I give you Me. I give you the faculty and students, I give you Me. I gave you My paradigm, I give you Me. I gave you the place, I give you Me. I give it again, and again, and again. Watch Me. Flourish, flourish, flourish.

8. June good, special, watch Me. Two come, special be, all of Me, all of Me, all of Me. All of Me. I love you.

9. Stephen of Me, Monty of Me, My Mine, My WeekWorkables of Me, oh into one be, grow into Me—one.

10. Network come forth, see Me. Projects unite, assignments share, come forth. My threebies, endure not, but explode. Explode in Me to explode what I am doing in them, in you in them, in you, you. I love you.

11. Fear not. Fear not for behold I bring you great joy for what has gone on, gone forth and comes forth in magnitude magnanimously increasing. Meekness, meekness, honor, respect, deferring to Me, to My body. I love you. Joy in Me. Joy in Me.

12. August good, August good, August sweet. Come to Me. August is good. Every month, Ted, soon every month of Me. August good, soon every month of Me. Every month and soon every week will be with leaders through Me, through you, through Me, through Me, for Me, to Me, Me'd, all (Ah!).

13. I rejoice, I rejoice, I rejoice in the priesthood of all believers coming before me, empowered by Me, realizing their power, revealing Me in every dimension, every dimension—dimensionless, constrained not, freedomized to go, to do, to be, to transcend, to create, multiplicity of manifold means of Me, reflecting Me.

14. Mockers laugh, deride—be concerned not. I empower you to do My will.

15. My mission is your mission, arise in your mission given, your mission expanded,
My people empowered.

Thank you for declaring forth the priesthood of all believers.
